Important Information for Parents and Students

Please choose your core, academy, and elective courses wisely after thoughtful consideration and fill in the spaces provided below. Also choose two alternates. The school has the responsibility to substitute intensive reading and/or intensive mathematics for any elective choice based on your FSA/ELA and/or Algebra I/Geometry EOC proficiency. If you do not choose alternate electives, the school reserves the right to place you in an elective class of its choice. We cannot change these courses after the school year has commenced. The final date for course change requests is May 1, 2017.

- Students taking a high school course in 8th grade who receive a C or below as a final grade will be required to repeat the course in 9th grade.
- Advanced level core courses in English, math, science, and social studies require teacher recommendation/approval. If you plan to take advanced courses, a separate “Student/Parent Request for Placement in Honors, AICE, or AP Course Sheet” must be completed in addition to the teacher initials required on this page.
- Symbols used on this subject selection sheet indicate the following:
 - * teacher recommendation is required for a course.
 - # the course meets a graduation requirement.
 - ## fees are required to cover the cost of consumables and supplies.

Please visit our school website at <http://hghs.dadeschools.net/> for additional information on graduation requirements, academy industry certification, AICE/AP Programs, course pre-requisites, and athletics/activities opportunities at our school.

Important Information for Parents and Students

Please choose your core, academy, and elective courses wisely after thoughtful consideration and fill in the spaces provided below. Also choose two alternates. The school has the responsibility to substitute intensive reading and/or intensive mathematics for any elective choice based on your FSA/ELA and/or Algebra 1/Geometry EOC proficiency. If you do not choose alternate electives, the school reserves the right to place you in an elective class of its choice. We cannot change these courses after the school year has commenced. The final date for course change requests is May 1, 2017.

- Advanced level core courses in English, math, science, and social studies require teacher recommendation/approval. In addition, your academy teacher's approval is required to proceed in the program of study. If you plan to take advanced courses, a separate **"Student/Parent Request for Placement in Honors, AICE, or AP Course Sheet"** must be completed in addition to the teacher initials required on this page.

- Symbols used on this subject selection sheet indicate the following:

* teacher recommendation is required for a course.

the course meets a graduation requirement.

fees are required to cover the cost of consumables and supplies.

Please visit our school web site at <http://hghs.dadeschools.net/> for additional information on graduation requirements, academy industry certification, AICE/AP Programs, course pre-requisites, and athletics/activities opportunities at our school.
